

ಶ್ರೀ ಬಿ. ಹುಚ್ಚೇಗೌಡ.—ಪೈನಾಫಿಷಿಯರ್ ಅಗ್ರಿ ಮೆಂಟ್ ಇಲ್ಲವೇ, ಸ್ವಾಮಿ? ಸೆಂಟರ್ ಎಕ್ಸ್‌ಪೆಂಡ್ ಕಾಂಪೇನ್ಸೇಷನ್ ಬರುತ್ತಾ ಇಲ್ಲವೇ?

Dr. R. NAGAN GOWDA.—I would like to have notice about that question, Sir.

ಶ್ರೀ ಬಿ. ಹುಚ್ಚೇಗೌಡ.—ಇನ್ನೂ ಮುಂದೆ 5 ವರ್ಷಗಳಲ್ಲಿ ಪುನಃ ಇದನ್ನು ಗಣನೆಗೆ ತೆಗೆದುಕೊಂಡು ನಿರ್ಧರ ಮಾಡುವುದು ಆ ಅಗ್ರಿಮೆಂಟ್‌ನಲ್ಲಿ ಇಲ್ಲವೇ?

ಡಾ|| ಆರ್. ನಾಗನಗೌಡ.—ಇರಬಹುದು.

ಶ್ರೀ ಬಿ. ಹುಚ್ಚೇಗೌಡ.—ಸೆಂಟರಿಗೆ ಎಕ್ಸ್‌ಪೆಂಡ್ ತೆರಿಗೆಯನ್ನು ಬಿಟ್ಟುಕೊಟ್ಟಿದ್ದರಿಂದ ಪ್ರತಿ ಫಲ ಏನು ಕೊಡುತ್ತಾರೆ?

ಡಾ|| ಆರ್. ನಾಗನಗೌಡ.—ಯಾವುದೋ ಒಂದು ಭಾಗ ಇರಬಹುದು. ಆ ಪ್ರಶ್ನೆ ಕೇಳಿದ್ದರಿಂದ ನಮಾಚಾರ ಕೊಡಬಹುದಾಗಿತ್ತು.

ಶ್ರೀ ಬಿ. ಹುಚ್ಚೇಗೌಡ.—ಭಾಗ ಇದ್ದುಮೇಲೆ ಪ್ರತಿ ವರ್ಷವೂ ಎಷ್ಟೆಷ್ಟು ತೆಗೆದುಕೊಳ್ಳುತ್ತೀರೋ ಅದಕ್ಕನುಗುಣವಾಗಿ ಮುಂದೆ ಒತ್ತಾಯಮಾಡಿ ಕಾಂಪೇನ್ಸೇಷನ್ ತೆಗೆದುಕೊಳ್ಳಬಹುದು. ಇದರ ವಿಚಾರದಲ್ಲಿ ಸರ್ಕಾರದವರು ಏಕೆ ಅನಕೃತಿ ವಹಿಸಲಿಲ್ಲ, ಈ ವಿಷಯವನ್ನು ಸಂಗ್ರಹಿಸುವುದು ದೇಶದ ಜನರ ಮತ್ತು ಕಂಠಾಯ ಕೊಡತಕ್ಕವರ ಸ್ಥಿತಿಗತಿಗಳು, ಮತ್ತು ಸಂಸ್ಥಾನದ ಆರ್ಥಿಕ ಸ್ಥಿತಿಗತಿಗಳಿಗೆ ಬಹಳ ಮುಖ್ಯವಾದದ್ದಾಗಿದೆ. ಅಂಥದರಲ್ಲಿ ಆಸಕ್ತಿಯಿಂದ ವರ್ಷೇ ವರ್ಷೇ ಇದರ ವಿಚಾರ ಸಂಗ್ರಹಣೆಮಾಡಿಕೊಳ್ಳದೇ ಇರುವುದಕ್ಕೆ ಕಾರಣವೇನು ಎಂದು ಕೇಳುತ್ತೇನೆ.

ಡಾ|| ಆರ್. ನಾಗನಗೌಡ.—ತಾವು ಈ ಪ್ರಶ್ನೆ ಕೇಳಿಲ್ಲ. ಆದ್ದರಿಂದ ಈಗ ಇರತಕ್ಕ ಪ್ರಶ್ನೆಯ ಮೇಲೆ ತಮ್ಮ ಉಪಪ್ರಶ್ನೆ ಉದ್ಭವಿಸುವುದಿಲ್ಲ. ಪ್ರತ್ಯೇಕವಾಗಿ ಪ್ರಶ್ನೆ ಕೇಳಿದರೆ ಸುಲಭವಾಗಿ ನಮಾಚಾರ ತರಿಸಿ ಕೊಂಡು ಹೇಳುವುದಕ್ಕಾಗುತ್ತದೆ.

Mr. SPEAKER.—Any other question? You have not given notice of a specific question about that. The Hon'ble Minister will want notice.

ಶ್ರೀಮತಿ ಬಿ. ಎಸ್. ಸುಬ್ಬಮ್ಮ.—ಮೊಣಸು ಮತ್ತು ಫಲಕ್ಕಿಯನ್ನು ಹೊರದೇಶಗಳಿಗೆ ಕಳುಹಿಸಲು ಟ್ರೇಡ್ ಏಜೆಂಟರುಗಳು ವರ್ಷೇ ವರ್ಷೇ ನಡೆಸಿರತಕ್ಕ ಕಾರ್ಯಕ್ರಮದ ವಿವರಗಳನ್ನಿಟ್ಟಿದ್ದೀರಾ?

ಡಾ|| ಆರ್. ನಾಗನಗೌಡ.—ಆ ಇನ್‌ಫರ್ಮೇಷನ್ ತಿಳಿಯದು.

ಶ್ರೀಮತಿ ಬಿ. ಎಸ್. ಸುಬ್ಬಮ್ಮ.—ಇಂಡಿಯನ್ ಕಾಫಿ ಬೋರ್ಡ್‌ನವರು ಇಂಡಿಯಾ ದೇಶದ ಕಾಫಿಯನ್ನು ಎಲ್ಲಾ ಕಡೆಯಲ್ಲೂ ಪ್ರಚಾರಮಾಡುತ್ತಿರುವಂತೆ ಮೊಣಸು ಮತ್ತು ಫಲಕ್ಕಿಗಳನ್ನೂ ಪ್ರಚಾರಮಾಡುವುದಕ್ಕೆ ಟ್ರೇಡ್ ಏಜೆಂಟರು ಪ್ರಯತ್ನಮಾಡುವಂತೆ ಇಂಡಿಯಾ ಸರ್ಕಾರದವರಿಗೆ ಸಲಹೆ ಮಾಡುತ್ತೀರಾ?

ಡಾ|| ಆರ್. ನಾಗನಗೌಡ.—ಅದನ್ನು ಮಾಡಲಾಗುತ್ತದೆ.

ಶ್ರೀ ಕೆ. ಲಕ್ಕಪ್ಪ.—ಈ Cost Finding Committee Report ತಮ್ಮಲ್ಲಿ ಇದೆಯೇ?

ಡಾ|| ಆರ್. ನಾಗನಗೌಡ.—ಅದು ಇನ್ನೂ ಪುಟವಾಗಿಲ್ಲ.

Sri K. LAKKAPPA.—Would you kindly place that Report on the Table of the House at least?

L.A.

Dr. R. NAGAN GOWDA.—It is a publication of the Government of India. It is not our publication.

Sri M. PALANIYAPPAN.—May I know for what length of period this Cost Finding Committee has toured in Mysore State, Sir?

Dr. R. NAGAN GOWDA.—That does not arise from this question at all.

Sri M. PALANIYAPPAN.—The Hon'ble Minister was pleased to answer that the Committee has sent a report. May I know whether any Mysoreans were there in the Committee, Sir?

Mr. SPEAKER.—That was answered.

ಶ್ರೀ ಮೈ. ಎಂ. ಚಂದ್ರಶೇಖರಯ್ಯ.—ಮೈಸೂರು ದೇಶದಲ್ಲಿ ಹೆಚ್ಚು ಕಾಫಿ ಬೆಳೆಯತಕ್ಕ ಪ್ರದೇಶ ಚಿಕ್ಕ ಮಗಳೂರು ಅಲ್ಲವೇ, ಸ್ವಾಮಿ?

ಡಾ|| ಆರ್. ನಾಗನಗೌಡ.—(a) ಪ್ರಶ್ನೆಗೆ ಉತ್ತರವಾಗಿ ಅಂಕಿಅಂಶಗಳನ್ನು ಕೊಟ್ಟಿದೆ.

Scheme to heighten the Hirebhasgar Dam for Power Generating

Q.—330. Sri M. V. RAMA RAQ (Tumkur).—

Will the Government be pleased to state :—

(a) whether any scheme to heighten the Hirebhasgar Dam so as to impound more water for generating electric power at the Mahatma Gandhi Hydro-Electric Works has been submitted to Government by one Sri Y. Ramaswami of Bangalore;

(b) if so, whether the scheme has been scrutinised by any Engineers designated for the purpose;

(c) the opinion or advice tendered to Government by those Engineers;

(d) the estimated cost of the scheme and the estimated quantity of power which can be generated;

(e) the action which Government propose to take in the matter of executing the scheme?

A.—Dr. R. NAGAN GOWDA (Minister for Agriculture).—

(a) A note on electrical development in Mysore State has been furnished by Sri Y. Ramaswami in which reference has been made to the heightening of Hirebhasgar Dam.

(DR. R. NAGAN GOWDA.)

(b) The note was placed before the Standing Technical Advisory Committee and was also examined jointly by Sriyuth N. V. Bapat (Retired Chief Engineer) and Sriyuth N. Lakshminarasimiah (Retired Superintending Engineer).

(c) The Standing Technical Advisory Committee opined that no further investigation need be made on the proposal made by Sri Y. Ramaswami, as it was not feasible.

Sriyuths Bapat and Lakshminarasimiah have recommended that Sri Y. Ramaswami's scheme may be adopted as the basis in order to meet the increasing demand for electric power and that detailed estimates may be got prepared on the basis of these proposals.

(d) Sri Ramaswami has stated that 78,000 k.w. of power could be generated at an additional cost of Rs. 4 crores. He has subsequently mentioned that a larger scheme for generating 2,10,000 k.w. can be worked out at a cost of Rs. 12.7 crores.

(e) The entire question of the utilisation of the power resources of the Sharavathi Valley in the most feasible and economical way is being considered.

Sri M. V. RAMA RAO.—May I know, Sir, whether any detailed estimates have been got prepared as recommended by the Engineer who scrutinised that proposal, subsequent to the date on which it was examined?

Dr. R. NAGAN GOWDA.—As a matter of fact, in December 1951, quite a large amount of money was sanctioned for carrying on the investigation. The period fixed was about 25 months and right now we have had investigation carried on Sri Ramaswamy's Report and other projects connected with it.

Sri M. V. RAMA RAO.—Was any particular sum sanctioned for the investigation of the Hirebhasgar Hydro-electric Scheme?

Dr. R. NAGAN GOWDA.—It was not exactly on this report of Sri Ramaswamy that the amount was sanctioned. But, as it is known to the Hon'ble Member there have been several other suggestions regarding this question of

harnessing the waters of Sharavathi valley and all of them are now being investigated. The Central Water and Power Commission also have made some suggestions. The Hon'ble Member also knows that the technical committee were not exactly supporting the view of Sri Ramaswamy.

Sri M. V. RAMA RAO.—May I know, Sir, whether it was not because the Standing Technical Advisory Committee did not consider this particular scheme feasible that the Government passed the order directing that the scheme be examined by other engineers? Was that not the position?

Dr. R. NAGAN GOWDA.—The other engineers also, Sri Bapat and others, were asked to give their opinion on this matter.

Sri M. V. RAMA RAO.—In answer to cl. (b) it has been stated that Sri Bapat and Sri Lakshminarasimiah have recommended that the scheme may be adopted for increasing the height of the Dam and that detailed estimates may be got prepared on the basis of these proposals. I want to know whether the Government propose to have these detailed estimates prepared in order to examine the feasibility of the scheme of raising the height of the Hirebhasgar Dam.

Dr. R. NAGAN GOWDA.—As a matter of fact, Sir, since there is a conflicting opinion on this project and since the Central Government have made some suggestions, now, the surveys are being conducted and information is being collected on all the possible schemes that are connected with this. It is not exactly this scheme that is being investigated upon. There are others also—the Yennehole, Manimaru and Honnemaradu, all of them are being investigated and it is proposed to place the entire materials that we have before the Central Power and Water Commission and get their direction and instructions on this matter so that they can carry on detailed investigation in the matter.

Sri M. V. RAMA RAO.—Seeing that the estimated cost of production according to this particular proposal is Rs. 500 to Rs. 600 per k.w., may I request that, if the Government have

no objection and if the scheme is considered feasible by the Central Government, to enable them to take a decision, detailed estimates be prepared for this scheme along with others and sent to the Central Water and Power Commission?

Dr. R. NAGAN GOWDA.—As I said before, we have been collecting adequate information and I think we will be able to place them before the Central Water and Power Commission to enable them to come to a decision as we are also anxious that some decision should be taken on this matter very quickly.

1 P.M.

Sri L. SIDDAPPA.—When was this scheme given by Sri Ramaswamy to Government?

Sri R. NAGAN GOWDA.—I am not sure about the date.

Grant of Increments to N.G.O.'s of the Electrical Department.

Q.—561. Sri G. PAPANNA (Sidlaghatta-Chikballapur).

Will the Government be pleased to state:—

(a) the number of years from which the non-gazetted officers of the Electrical Department have not been given increments;

(b) if not, the reason therefor?

A.—Dr. R. NAGAN GOWDA (Minister for Agriculture).—

(a) Some members in the last grade of the executive establishment among the non-gazetted staff of the department have not been granted increments during the last five years.

(b) Continuance of some men on temporary tenure and want of finalisation of promotional arrangements pending the fixation of the proportion between graduates and non-graduates. Orders have since been passed on the latter question and it is expected that necessary action to sanction increments in cases in which they are due will be taken very soon.

ಶ್ರೀ ಜಿ. ಪಾಪಣ್ಣ.—ಕೆಲವರನ್ನು ಹಂಗಾಮಿ ಜಿಲ್ಲಾಧಿಕಾರಿಗಳಾಗಿ ಮುಂದುವರಿಸಲಾಗಿದೆ ಎಂದು ಹೇಳಿದ್ದೀರಿ; ಹೀಗೆ ಹಂಗಾಮಿಯಾಗಿ ಮುಂದುವರಿಸಲು ಕಾರಣವೇನು?

Mr. SPEAKER.—You please see the last sentence in answer to (b)—‘Orders have since been passed.’

Steps to solve Unemployment problem.

Q.—449. Sri B. HUTCHE GOWDA (Turuvekere).—

Will the Government be pleased to state:—

(a) whether they have taken any action to get correct statistics of unemployed persons both educated and uneducated;

(b) the action taken by Government to solve the problem and proposed to be taken in future;

(c) whether the Government of India have called for proposals in this respect;

(d) if so, whether any proposals have been forwarded to Central Government; what are those proposals?

A.—Sri K. HANUMANTHAIYA (Chief Minister).—

(a) Yes.

(b) Various schemes of development are proposed to the Planning Commission for inclusion as additional schemes in the State Five-Year Plan and these are calculated to relieve unemployment to certain extent. Action to be taken in future will be considered at the appropriate time.

(c) Yes.

(d) Yes.

The following schemes are proposed to the Planning Commission:—

(1) Development of Cottage Industries.

(2) Loans to educated unemployed for starting Cottage and Small-scale Industries.

(3) Raw Film Industry.

(4) New Textile Mill in Bellary District.

(5) New Sugar Mill in Shimoga District.

(6) Expansion of Mysore Implements Factory.

(7) Expansion of Government Porcelain Factory.
